

QuickBooks for Windows Conversion Instructions

Web Connect

Introduction

As *New Mexico Bank & Trust* completes its system conversion, you will need to modify your QuickBooks settings to ensure the smooth transition of your data. Please reference the dates next to each task as this information is time sensitive.

To complete these instructions, you will need your User ID and Password for online banking.

You should perform the following instructions exactly as described and in the order presented. If you do not, your online banking connectivity may stop functioning properly. This conversion should take 15–30 minutes.

Thank you for making these important changes!

Documentation and Procedures

Task 1 — Upgrade Preparation

1. Backup your data file. For instructions to back up your data file, choose Help menu > QuickBooks Help. Search for Back Up and follow the instructions.
2. Download the latest QuickBooks Update. For instructions to download an update, choose Help menu > QuickBooks Help. Search for Update QuickBooks, then select Update QuickBooks and follow the instructions.

NOTE: If multiple computers do not use the same QuickBooks data file, skip step 3. QuickBooks activities such as Online Banking cannot be performed in multi-user mode because of the way the activities interact with a company data file.
