

# IMPORTANT INFORMATION!

## **NEW InBusiness** Online Banking

Welcome to Rocky Mountain Bank's new InBusiness Online Banking. This Welcome Packet is designed to provide you, our valued client, with important information your company will need in regard to online banking beginning **Monday, March 30, 2020**. Please locate the features you currently use in InBusiness Online Banking below. The following items are included:

- ▶ Contact List and Resource Guide
- ▶ InBusiness—Online Banking Access
  - ACH Origination and ACH Reporting (formerly known as FedEDI)
  - Wire Transfer
  - Check Positive Pay
  - ACH Positive Pay (formerly known as ACH Alert)
  - Bill Pay

In addition to an interactive online user guide available on the online [Resource Center](#), our Treasury Management team looks forward to continuing to serve you and providing products and services designed to meet your needs.

Please call 877.812.1563 with questions or visit our online [Resource Center](#) to help navigate the new platform available on **Monday, March 30, 2020**.

Best regards,

Tod Petersen  
President & CEO

If you have any questions, please feel free to contact your Rocky Mountain Bank Banker or Treasury Management Team. We look forward to serving your needs!

# IN BUSINESS: ONLINE BANKING

## Important Details Regarding Your User Credentials:

Your Company ID will no longer be utilized. You will continue to use your existing user ID and password.

## Password:

Your password will remain the same upon your first login. Once you log in to the new system for the first time, you will be prompted to change your password.

## Update:

You will now be able to reset/change your own password directly within your profile. To learn more about this feature, please reference the interactive [Online Banking User Guide](#). If your login is locked out, you may contact Treasury Management support for assistance at 877.812.1563.

## ENHANCEMENT

*We offer a unified user experience across mobile, tablet and desktop. Our new mobile banking features mobile deposit along with many of the same alert, approval and payment capabilities you will find in our desktop experience with a responsive design. Download our Rocky Mountain Bank mobile app today!*

## ▶ TAKE ACTION

### THINGS FOR YOU TO DO

#### ▶ Review this Treasury Management Welcome Packet.

- [Click here](#) to log in on Monday, March 30, 2020.

## ▶ RESOURCES

#### ▶ [Online Banking User Guide](#)

▶ **Token Instructions:** Existing tokens will continue to be used for approval of transactions. Prior to first time use, steps for activation are available on the resource center.

- Only the most recently used token will be assigned per user.

## ▶ NOTICE

### COMPATIBLE WEB BROWSER

In 2020, Microsoft will no longer provide technical support for Windows 7, their last major operating system that includes Internet Explorer as the sole default browser. Due to this change, Internet Explorer will no longer be a supported browser for Online Banking.

Beginning April 7, 2020, you will need to use a modern web browser to access Online Banking. Compatible browsers include Google Chrome, Mozilla Firefox, Microsoft Edge or Safari. When choosing a new browser, please be sure to download the latest version.

Other applications, such as eDeposit, will continue to work using Internet Explorer.

# PAYMENTS: ACH ORIGINATORS

We will transfer all your existing ACH templates that you have established within your current online banking system. Your ACH templates will be available to utilize in the new system.

## Changes to existing ACH templates

If you had a template that had credit and debit transactions, we will be creating two batches for the previous template. One with all credit entries, and one with debit entries.

If you have the same title for your template, those will be differentiated using a number at the end of the title.

# ACH AND RETURN NOTIFICATIONS

## ACH Return Notifications (Formerly FedEDI Reporting)

ACH Return transaction detail is available to you through a single sign-on (SSO) link from online banking (PosPay/ACH Reporting). The system will send an email notification when your designated account receives a return or notification of change. If you are currently enrolled in this service, you will continue to receive notifications.

**Please note:** Emails will come from [TMsupport@rmbank.com](mailto:TMsupport@rmbank.com).

## ENHANCEMENT

*New payment options include recurring and same-day ACH processing. Additional security options have been brought to ACH.*

## ▶ TAKE ACTION

### THINGS FOR YOU TO DO

- ▶ Review ACH Transactions and templates prior to approving and sending them.

## ▶ RESOURCES

- ▶ Refer to our interactive [Online Banking User Guide](#).

# PAYMENTS: WIRE ORIGINATORS

We will transfer all your existing wire templates that you have established within your current online banking system. Your wire templates will be available to utilize in the new system.

## Changes to existing Wire templates

If you have the same title for your template, those will be differentiated using a number at the end of the title.

## ENHANCEMENT

*New payment options include recurring and batch wire transfer processing. Additional security options have also been brought to wire transfers.*

## ▶ TAKE ACTION

### THINGS FOR YOU TO DO

- ▶ Please review the Wire template instructions prior to sending a wire.

## ▶ RESOURCES

- ▶ Refer to our interactive [Online Banking User Guide](#).
- ▶ Wire Import Templates are located on the [Resource Center](#).

# POSITIVE PAY

## **ACH Positive Pay (formerly known as ACH Alert):**

ACH Alert information will now be part of the Positive Pay section of online banking. All your approved ACH debits will transition to the new system. You will make all your decisions regarding ACH in the new online banking system.

## **Check Positive Pay:**

Your file formats will remain the same and you will make your decisions within the new online banking system.

If you are using a macro today, you can continue to follow this process and utilize this file format. If you would like to discuss a change to this process, please contact your Treasury Management Specialist for a review.

## ► RESOURCES

- Refer to our interactive [Online Banking User Guide](#).

## **ENHANCEMENT**

*Positive Pay Reporting — with the use of Check Positive Pay you will be able to generate reports of outstanding issued checks and cleared checks. If you previously accessed these reports from our Secure FTP site, integration of these reports are now available from your online banking login.*

# ONLINE BILL PAY

- ▶ All users along with all your current payees will remain established within the bill payment system. Payees, addresses and recurring payments will convert.

## ▶ TAKE ACTION

*THINGS FOR YOU TO DO*

### **ON MONDAY, MARCH 30, 2020**

- ▶ We recommend reviewing all your payments and payees to ensure all were transitioned properly. If any are missing, you can re-establish them at this time.

## ▶ RESOURCES

- ▶ Step-by-step instructions for adding and managing payees, initiating and scheduling payments, setting up payroll deposits, etc. are available in the [Commercial Bill Pay Guide](#).
